collection
every piece a conversation

At Phillips Collection, we are highly selective in the wood we source. Chamcha is a fast-growing species of the Acacia family and is native to Thailand. We are drawn to the beautiful wood grains and blonde sap lines that create this two-toned natural finish.

No need to change what Nature has already perfected!

Dimensions: 14x14x44"h (18x18x48"h packed)

Weight: 62 LBS (70 LBS packed)

Material: Chamcha

Finish: Natural
