

WISP WALL TILE

Chamcha Wood, Gold Leaf on White

Thai artist Chittra Han, known for her brilliant trailblazing works on canvas, painstakingly applies silver and gold leaf onto organic wood slices for the first time to create dazzling dimensional wall sculptures in our Wisp Collection. The Wisp Gold Wall Tile is one of two color combinations. Though it appears that Han had a Jackson Pollock moment and let gold leaf fly onto the white surface of this decorative accessory, her methods are far too precise for that. We also offer a silver and black combination that's just as chic. Both of these reflect the ethos that the Phillips Collection personifies: modern organic.
