

WISP WALL TILE

Chamcha Wood, Silver Leaf on Black

Thai artist Chittra Han, known for her brilliant trailblazing works on canvas, painstakingly applies silver and gold leaf onto organic wood slices for the first time to create dazzling dimensional wall sculptures in our Wisp Collection. The Wisp Silver Wall Tile is one of two color combinations. Though it appears that Han had a Jackson Pollock moment and let silver leaf fly onto the black surface of this decorative accessory, her methods are far too precise for that. We also offer a gold and white combination that's just as chic. Both of these reflect the ethos that the Phillips Collection personifies: modern organic.
