

RIVULET WALL TILE

Chamcha Wood, Gold Leaf on White

The Rivulet White Wall Tile is an oblong wall tile made of chamcha wood. It is painted white and ornamented with textured details that are meticulously added in gold leaf. Thai artist Chittra Han was inspired by Nature for this collection of white and gold wall tiles. Dubbed "Ms. Millimeter," she pays attention to the smallest details, obsessing over every last aspect of her designs, and the results are stunning. We also offer the Rivulet as a black wall tile with silver leaf veining, both of these decorative accents for the wall reflect the ethos that Phillips Collection personifies: modern organic.
