

ORIGINS DINING CHAIR

Perfect Brown

The Origins Brown Dining Chair was created by a local Thai artisan utilizing exquisite craftsmanship. It is made of reclaimed chamcha wood, which we have rescued from being one of Nature's finest castaways by making it into an elemental design statement. There is butterfly detailing throughout the back of the chair—this and the fact that each piece is one of a kind, they will have beautiful imperfections unique to each piece. The style of this wood dining chair is fitting for a number of interiors, including modern farmhouse and industrial chic. There is an array of furnishings and accessories in the Origins Collection, which reflects the ethos that the Phillips Collection personifies: modern organic.
