

VINE BALL

20" Diameter

Ribbons of twisting wood have been mainstays in garden-room settings for centuries. With the Vine Small Decorative Ball, we've taken the ornamental garden accessory out of the glass house and made it apropos of any room in the finely designed home. We also offer the Vine in a larger size. Though a grandly sized table can handle them, they are large enough to be commanding floor sculptures with an elemental feel. Both sizes reflect the ethos that the Phillips Collection personifies: modern organic.
