

OLYMPIC FIGURE IN IRON RING

Black, Rust, Style E

The clean lines of the slim decorative figure ornamenting the Skating Olympic Figure Sculpture makes this a perfect accent piece for contemporary, modern farmhouse, and mid-century modern interiors. Abstractly rendered in metal in a black finish, the slim decorative wall sculpture is whimsical on its own and will be even more playful when combined with other decorative wall sculptures in this series. Also ornamenting the rings are gymnast, dismount, leaping, and skating figures for a full array of athletes on the wall! Each of these reflect the ethos that Phillips Collection personifies: modern organic.
