

FREEFORM CONSOLE TABLE

Gray Stone

The Gray Stone Freeform Console Table is direct proof that Mother Nature herself is the Earth's ultimate artisan. When she lets her hair down and decides to let her imagination run wild, unbelievable masterstrokes of naturally formed art are sure to follow. Maintaining the original shape of the wood allows the beautiful wood grain to shine uninterrupted, bringing out the true character of the piece. Also offered in natural, bleached, perfect brown, and burnt edge finishes, all variations of the Freeform Console represent the Phillips Collection ethos: modern organic.
