

AMETHYST SCULPTURE

XL, Assorted Styles

Amethyst boasts an intoxicating violet hue that has made it a staple in the world of jewelry. Rather than using it to make bracelets or necklaces, Phillips Collection aimed to go bigger with our Amethyst Sculptures. These large cuts of natural stone have been sourced from deep beneath the Earth's surface and act as the perfect accessory piece to make your home decor shine. The glassy crystalline formations encased within natural stone will add a sense of organic luster to any interior space. These sculptures are one-of-a-kind and available in many shapes and sizes.
